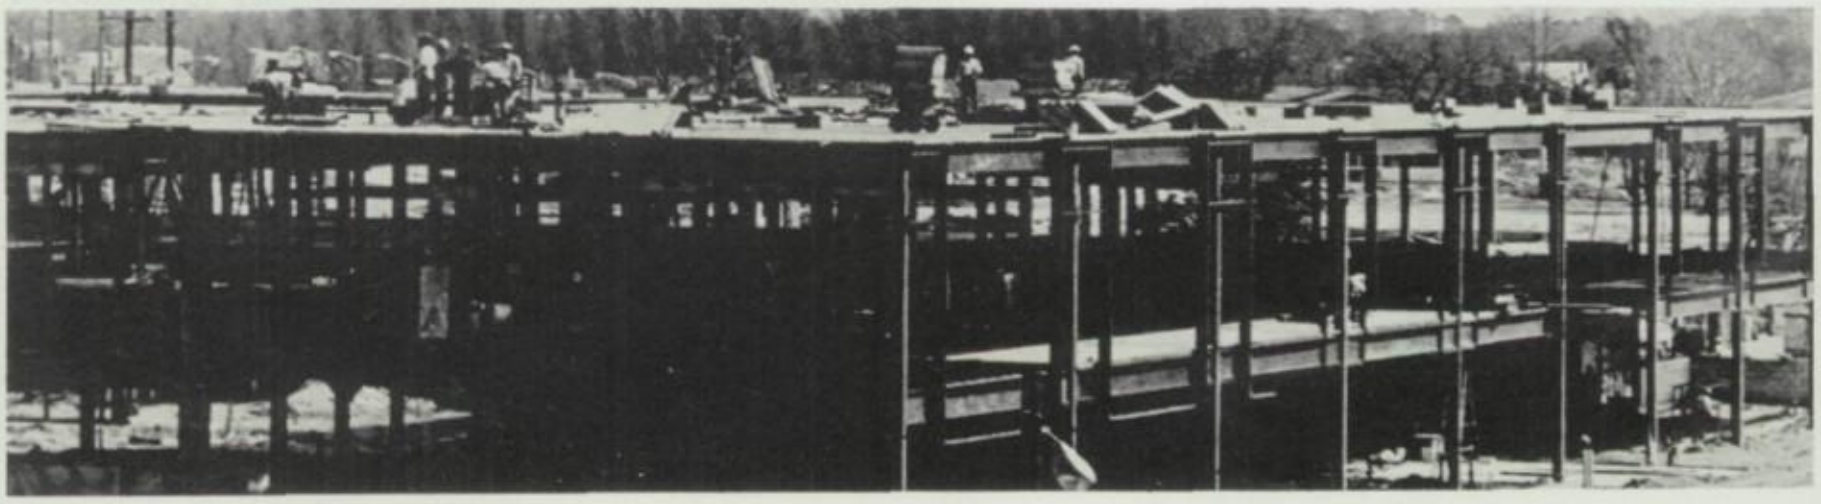
Booker T. Washington School was built in 1924 in order to meet the growing need for a black institution of learning in Norfolk.

Eventually it was decided that the old school had to be replaced. Conflicts arose concerning where the school was to be located and whether or not it was to be renamed. After many heated moments, hours, days, and months, it was decided that Booker T. Washington would retain its name and be built on an adjacent location to the old school.

Construction of the new school began. Costs had been set at five million, but by the time the construction was completed, the building would cost eight-and-one-half million.

Students at the old Booker T. saw their



new school rising out of an old neighborhood surrounding them.

Students started classes in the new building in September, 1974. The gymnasium area was not finished, but that didn't stop the teachers from having P.E. The classes were held in the halls by the Guidance office.

Booker T. Washington was dedicated on February 9, 1975.

DEDICATION

Miss Shirley Virginia Bloxton
Assistant Principal, Instruction
Booker T. Washington High School

The 1979 WASHINGTONIAN is dedicated to Shirley Virginia Bloxton who has ably guided instruction at Booker T. Washington High School since 1970.

A native of Lynchburg, Miss Bloxton was educated in the public schools and graduated from the E.C. Glass High School. She went on to receive a Bachelor of Science degree in Secondary Education with a major in history and minor in science and English from Longwood College; the Master of Education degree from the College of William and Mary; with further graduate studies at the University of North Carolina (Greensboro); the Institute on Non-Graded Education at Saint Francis Xavier University (Antigonish, Nova Scotia); and the University of Virginia (Charlottesville).

Miss Bloxton joined the Norfolk schools as a science teacher. Subsequently she taught history and English as well before becoming Assistant Principal, Instruction at Norview High School. In 1970, Miss Bloxton was appointed to her present position as Assistant Principal, Instruction at Booker T. Washington.

Among the many organizations to which she belongs, Miss Bloxton is past secretary of the Norfolk Secondary School Principals' Association; a member of Kappa Delta Pi; a member of Delta Kappa Gamma Society International (Past President, Beta Beta Chapter and presently State Chairman, Professional Affairs Committee); a member of the Poetry Society of America and the Academy of American Poets.

In dedicating the 1979 WASHINGTONIAN to Miss Bloxton, we wish her to know that we deeply appreciate her many talents and leadership ability. Sound instruction is at the heart of the educational process. Miss Bloxton has promoted, and is constantly promoting, this ideal. We heartily applaud her many efforts to make Booker T. Washington's instructional program the exceptionally fine one it is.

The year was 1970.

THE GUIDANCE PROGRAM

A major goal of the guidance and counseling program is to help students understand themselves and develop the skills needed to make the best decisions about their lives. In accomplishing this goal, counselors talk with students on a continuing basis. Students are encouraged to consult their counselors for help with problems of any type, conferring with their counselors as the need arises.

For the convenience of all students, the guidance office maintains a large, up-to-date file of career information and a computerized Guidance Information System, which provides current facts about two and four-year colleges, graduate schools, financial aid, occupations, and military careers.

During the school year, counselors conduct or arrange a number of group guidance activities to meet specific student needs. These activities include an orientation program for new students, group sessions on job search/interview techniques, career development programs, an Honor's Day program, and a workshop on meeting the costs of post-high school education.

The Senior Class of '79 kept busy throughout the year with activities and fund-raising projects going toward the prom. They had the Thanksgiving dinner for the elderly and sold candy canes during the Christmas season. The Seniors sponsored a Victory dance after BTW's first game with Maury. In the middle of January, about 40 seniors had a ball at Wintergreen. The senior ski trip was a success. There was continued pressure to pay dues and the Seniors sold magazine subsciptions in February. The Senior Prom is to be held on the boat "Spirit of Norfolk" in June and only the Seniors can go . . . . no 12th graders!

The National Honor Society is an organization consisting of members who must exhibit strong qualities in Leadership, Character, Scholarship, and Service. Members are inducted in the spring and must hold a 3.3 average in order to be eligible for induction.

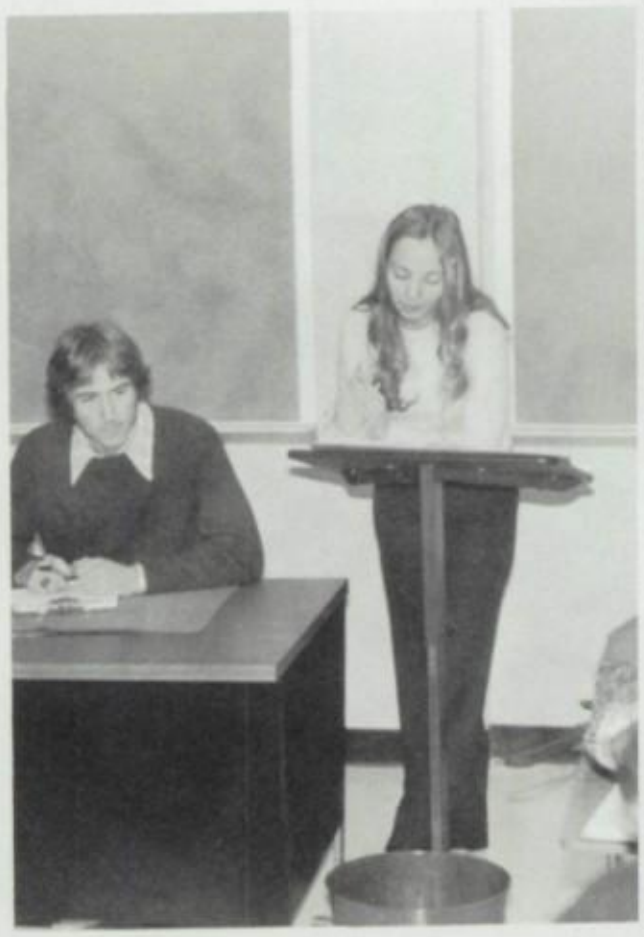
The 1978-1979 Booker T. Washington chapter of the National Honor Society has a membership of 45.

This year the NHS has performed several service projects. On the opening day of the '78-'79 year, members served as guides for those students who were just becoming acquainted with the school. During Thanksgiving, a very large fruit basket was prepared and donated to the Lake Taylor City Hospital. At Christmas, members got together one evening and made over 100 small stockings which were filled with candy and were sent to King's Daughters Children's Hospital. Several other projects are planned for the spring also.

Each year the NHS awards a $100.00 scholarship to a BTW graduate. To raise money for the scholarship, as well as induction services, the NHS sells doughnuts, holds car washes, and sold carnations this past Valentine's Day.

The NHS would like to express their thanks to their Mr. H.H. Harrell (and Bobo). His concern is greatly appreciated.

Everyone is awake for those 7 AM meetings!!



The meeting starts . . . and business is discussed with V.P. Betty Myers.

The Naval Junior Reserve Officers Training Corps unit at Booker T. Washington assists the school in its goal of developing responsible and mature citizens. As authorized by congressional act, the Secretary of the Navy has established the NJROTC program in order to offer young men and women of high school age the opportunity to embark on an interesting and challenging experience as navel cadets. Enrollment in this program does not obligate a cadet to enter the military service after graduation. Our cadets participate in academic classes of naval related subjects, in military field trips and local parades. They also enter into competition with other NJROTC units in many extra-curricular sports such as military drill, rifle shooting, basketball, bowling, and softball. Commander R.W. Reeve, USN (Ret) and Master Chief A. B. Longtin, USN (Ret) are the Naval Science Instructors.

PHASE ELECTIVES

Phase electives started a few years ago, and ever since then chaos has exsisted in the school system, from the administration to the parents. There has been a large amount of paperwork and frustration involved with phases.

ECONOMICS

One of the big changes in the past year is that Economics is now required for graduation. Mr. Matney teaches BASECON (Basic Economics). He is explaining the business cycle. Are we heading for a depression??

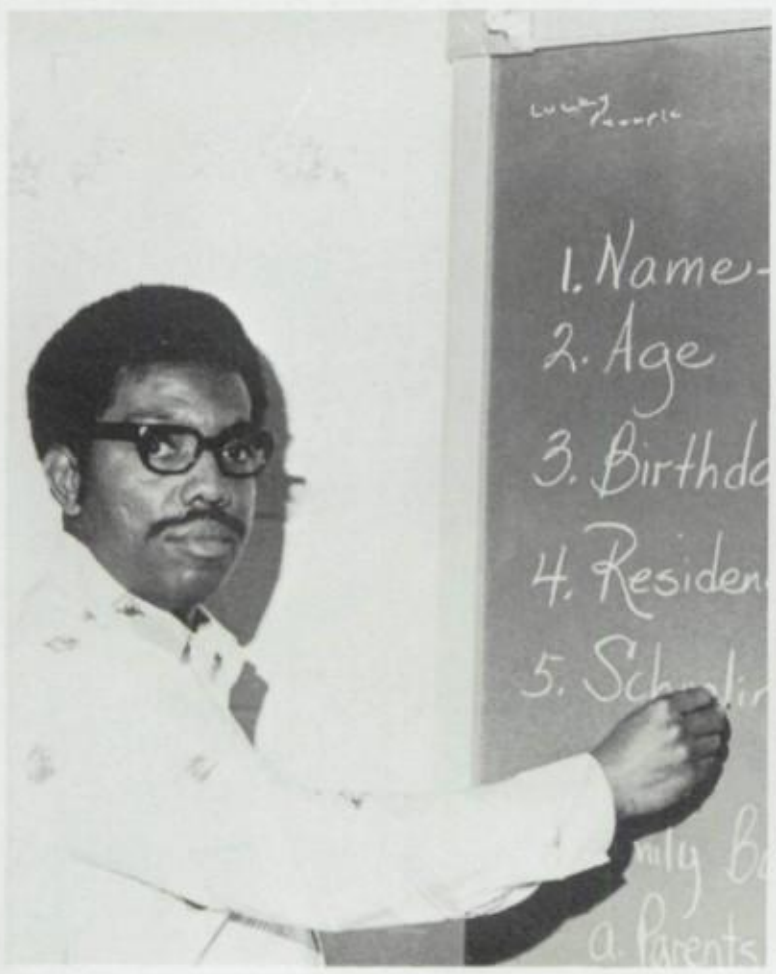
Underlined--Prerequisites required

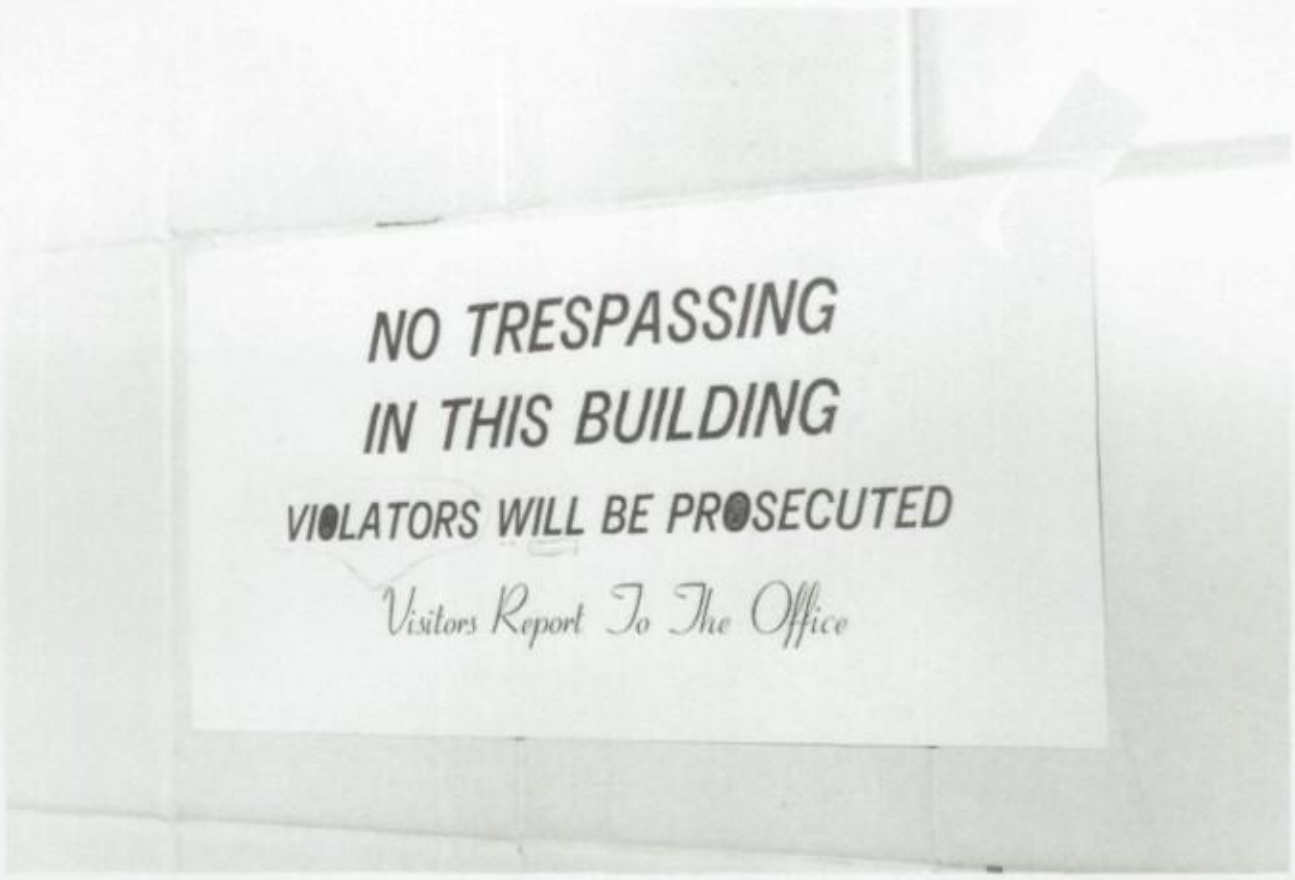
Students are blinded by "The phase"!

Check the courses you want and see if you get what you wanted. Poor ol' Ms. Lucas was swamped by over 1000 schedule changes during the second nine weeks!!

IN-SCHOOL SUSPENSION

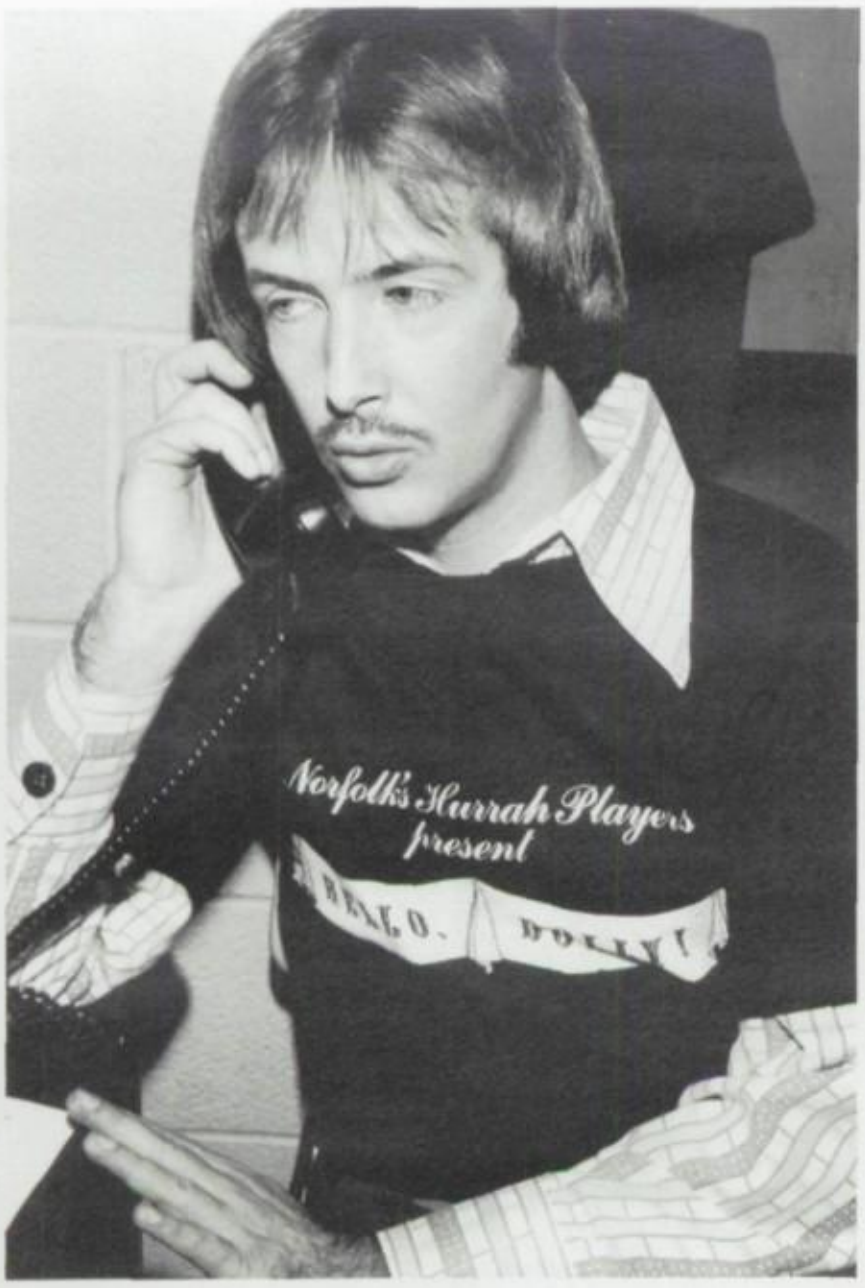


supervised by Mr. Rhodes is new to Booker T. It gives students a chance to still do schoolwork and get credit for it, but students are not left alone, which even means their lunch is brought to them!



PARKING STICKERS

Parking stickers were issued to all students driving cars at Booker T. this year. Other high schools in Norfolk issued them as well. It wasn't until late January that we received signs for our parking lot.



TEACHER OF THE YEAR

Mr. Hugh Copeland, famous for his first-rate plays, was chosen Norfolk's teacher of the year. Mr. Copeland has been at Booker T. Washington for 7 years and is the director of the Hurrah Players.

SPRING TRIP TO EUROPE

Under the leadership of Mrs. Paulk, several students went to Great Britain during Spring/Easter vacation. The trip, according to one student, was "actually rather pleasant." Tea anyone?

Booker T. can be proud as always of its Ledger Star Scholastic Team. Twelve of our top scholars are chosen to represent Booker T. academically. These students are nominated within the school. Our Sophomore representatives this year are Trinidad Chacon, Yvonne Lee, Audrey Robinson, and Lauren Spring.

GOVERNOR'S SCHOOL

Karen Lynn Irby and Wesley A. Jacocks were chosen as Booker T. Washington's 1978-1979 representatives to attend Governor's School. They were so chosen because of their specific aims in life and their excellent scholarship. Governor's School is held every summer at both Mary Washington or Mary Baldwin. It is with true pride that the Washingtonian recognizes these two outstanding students.

DRAMA

The Hurrah Players won at the Regional One-Act play festival with "The Rill Speaking." They will go to the State Festival.

WASHINGTON CIRCLE
THE CONCESSION STAND

Ms. Key, one of the security guards, took over the concession stand during the basketball games, and she and Ms. Lucas named the enterprise "Washington Circle." In February, Mr. Schultz took over after Ms. Key resigned. With the help of Ms. Lucas, Fulton deLamorton, and Teresa Arrington, Washington Circle was a success.

It gets messy after halftime!!

Mr. Schultz bags that tasty popcorn.

Ms. Key counts the money afterwards. The profits go to the athletic fund.

ATHLETIC BUSINESS MANAGERS

Mr. Porter, Mr. Cecil, Mr. Craig, and Mr. E. Ellis are the Athletic Business Managers. They are in charge of the financial aspects of all athletic events involving Booker T.

They are at all games selling tickets . . .

Mr. Mainor accepts tickets as the fans rush through.

Exercising definitely keeps your body in shape during the winter season.

EVERY YEAR, THOUSANDS OF HIGH SCHOOL STUDENTS DIE LAUGHING.

They die drunk. In a car with their friends. They're driving along when someone opens a bottle of wine or hands out cans of beer. And it seems like fun because they're friends.

And soon they're joking and singing, enjoying their laughter, enjoying each other.

But something's wrong. The car is too fast and reflexes are too slow. And it's too late to avoid that tree. No time to swerve away from that oncoming car.

And so they die. Even though they thought they were only having a little fun.

The fact is drunk-driving accidents kill more people your age than anything else.

Think about who's been drinking and who's going to drive. You have to start taking care of each other.

That's what friends are for.

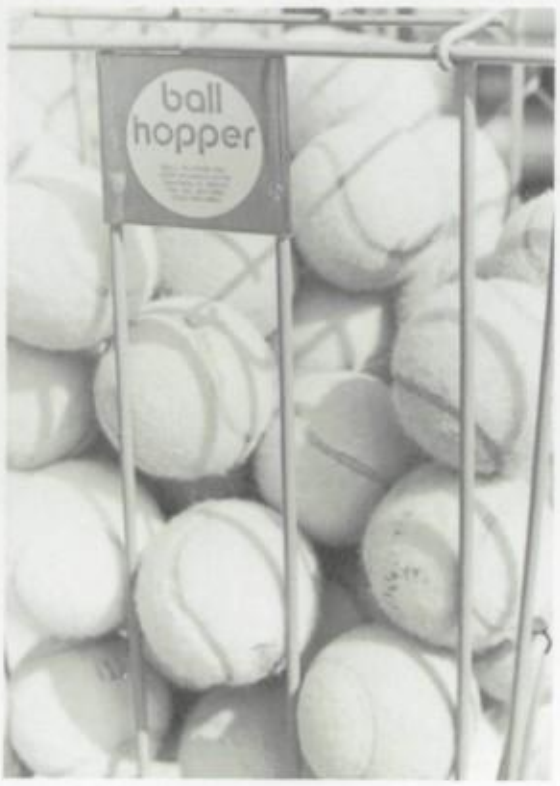
THE MONSTER



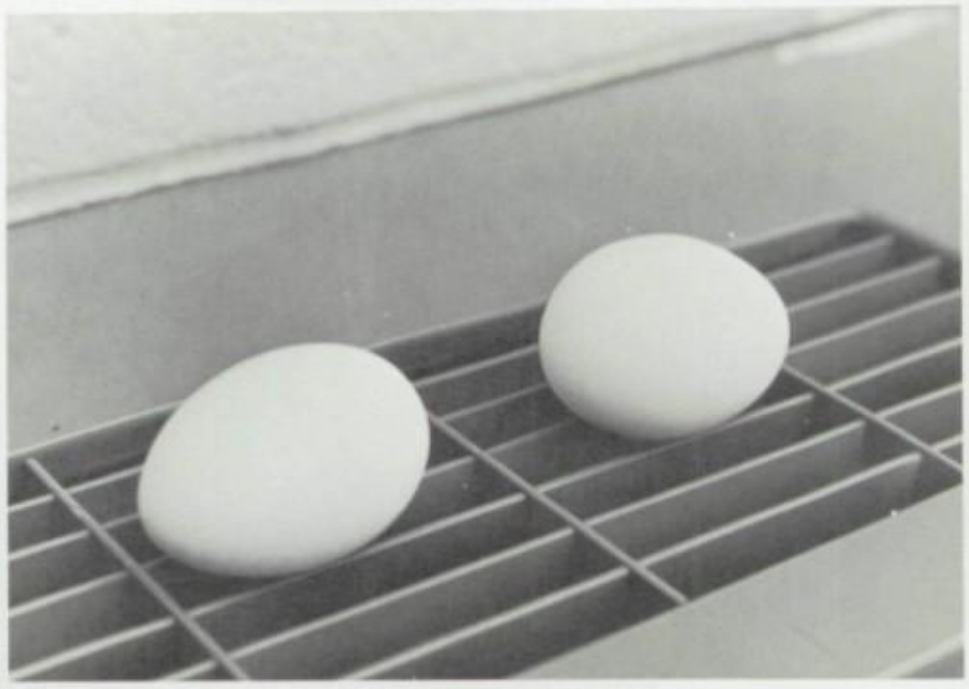
"Oh look, it's Fulton!"

FAMOUS HARLEY QUOTE:
"Either get your buns in here early or get in here late, but don't come in in the middle."

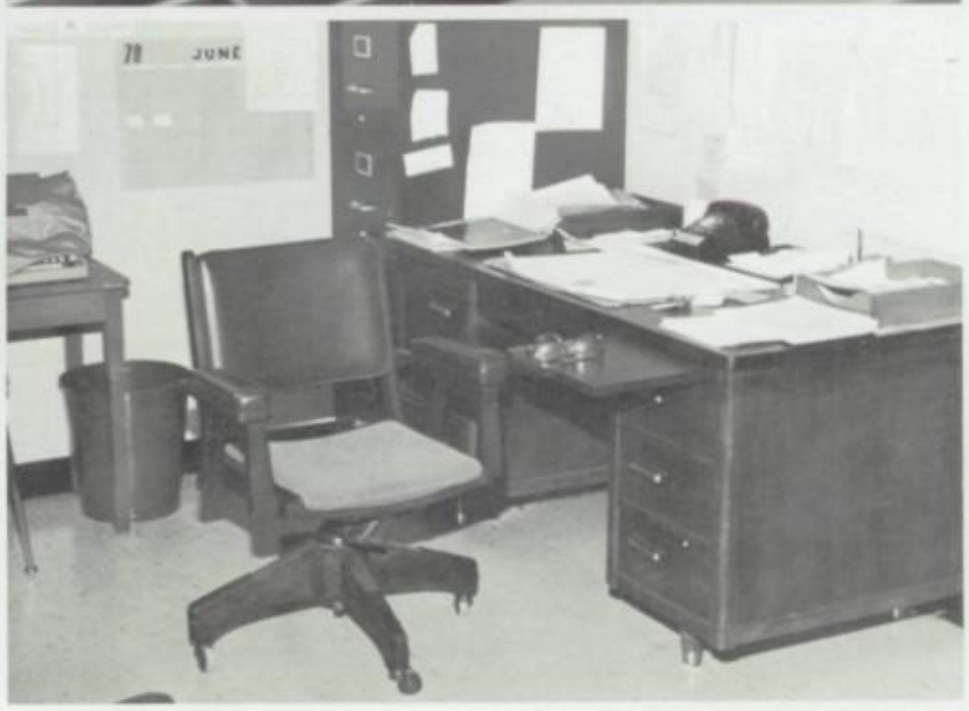
The food here is so good, people are willing to stand in line for hours!

"Well, it did start out to be a flag, but I figure why should I outdo Betsy Ross?"

BTW's Science Department couldn't afford an incubator, so . . .



"Physical, mental, or spiritual health . . . which one are you lacking?"



The empty office of a man who's always there-Mr. Porter.

Visiting student from Maury.

"Two inches? I thought it said two yards?"

"Now if I can get this thing done without having that needle go through my finger, I'll be doing okay!".

America Studies is a prerequisite for being an American.

A pretty girl is like a melody.

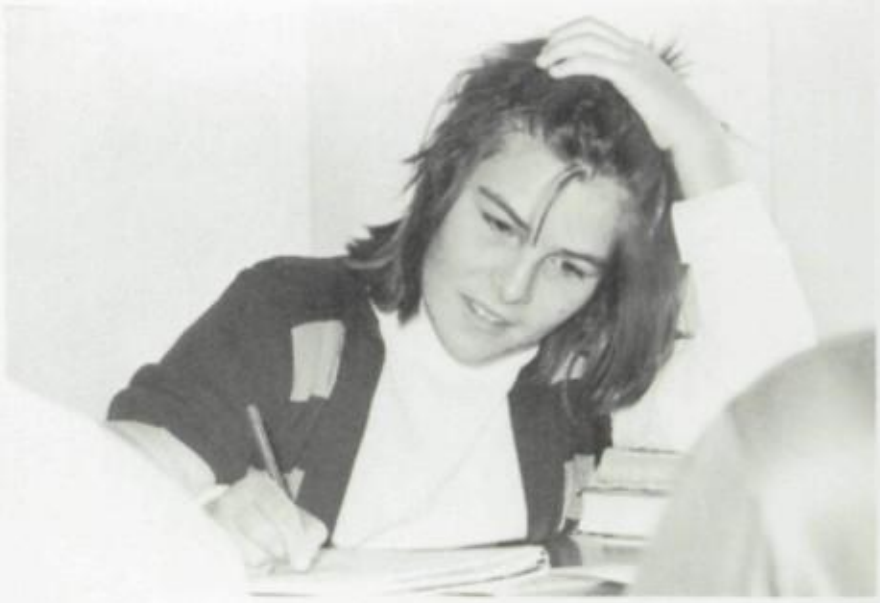
Lu Eng, BTW's resident student artist.

"Well, they said to fill these out in triplicate!"

You know you're at Booker T. when . . . . .

"Gals, that chicken would cook a lot faster if you put the stove on!"

"There ought to be a law: No note taking on a Monday morning. Or on Tuesday . . . or Wednesday . . . . .



"Sittin' in the cars during lunch is a no-no."

"Yes, I can remember when these halls were quiet-of course, the building was empty at the time.

"Is this where we buy tickets for the game?" - number 398 in a series.

CREDITS

This year's word is COOPERATION. It is hard to come by. We were looking for it this past year, but it wasn't found, except in a few places. Due credit is already given to those who helped us, and they know who they are. The Washingtonian would like to extend extra credit to Margaret Womble who took many great photographic shots at the wrestling matches, the Ski Trip, and basketball games. Teresa Miller also threw in some help. She designed the Swim Page. Debbie Fentress did a great deal of the harsh typing for the yearbook. Sam Long got up into a helicopter and took the Title Page picture. Kim Gill gave us a couple of "Hello Dolly" pictures along with Bill Pressly who got us many other pictures. McIntosh was invalueable. They took care of the Senior portraits and oodles of candids and club pictures.

Some errors have to be mentioned. In the Senior Directory, Stephen Hooper and Wilbert Pope listed themselves as being in the National Honor Society, but were not. We deplore this type of flagrant dishonesty. Sincere thanks go to Ms. Potter, for taking care of the yearbook money, and Theresa Pearce, Valerie Bateman, Mr. Porter, and one special friend who kept Ollie's spirits on the good side throughout the year. Finally, the yearbook staff says:

THE END

"How was it, Coach?"

An orange a day . . .?

"You wanted a Tab, Cecil, not a Pibb!"

"I thought you'd quit!"
